

# The cider house rules!

It's sweater weather, y'all! Hit the road (with a designated driver) to taste the brews, wines and ciders of farms and orchards less than three hours away!

## Angry Orchard

The popular hard cider has a 60-acre orchard in the Hudson Valley where visitors can watch the magic unfold—for free! The locale hosts a free evening music series, Fresh Pressed Fridays, through October and celebrates Harvest Fest on October 15 at 2pm (\$45) with Matisyahu and

the season's four concoctions on tap.  
→ 2241 Albany Post Rd, Walden, NY (888-845-3311, angryorchard.com). Wed-Sun 11am-6pm.

## Hilltop Orchards

The Berkshires' Hilltop Orchards has 200 acres and 26 varieties of apples for your picking pleasure, some of which are used to create its Furnace Brook Winery "grown-up apple juice," like Johnny Mash Original American Cider and Apple Ice Wine. Nosh on freshly made cider doughnuts, and wash them down with a free tasting of northeastern varietal wines produced on the farm.  
→ 508 Canaan Rd, Richmond, MA (800-833-6274, hilltoporchards.com). Daily 9am-5pm.

## Hyland Orchard & Brewery

Resident brewery RapsCALLion has all taste buds covered with six seasonal brews and six

mainstays. Enjoy a glass in the taproom and watch the orchard come live with an assortment of live music on the weekends.  
→ 199 Arnold Rd, Sturbridge, MA (774-200-1909, hylandorchard.com). Visit website for schedule.

## Weed Orchards & Winery

Pick fruits, vegetables and flowers, and taste wine, craft beer and house-made hard cider at the winery. A festival with music, food, a corn maze and hayrides takes place every weekend in October, and you can also head two miles north to the family's original homestead in Milton, New York (444 Old Indian Rd) to pick apples and pumpkins, then picnic by the pond.  
→ 43 Mount Zion Rd, Marlboro, NY (845-236-2684, weedorchards.com). Pick your own fruit: daily 10am-5pm. Winery: Fri-Sun noon-5pm.

Hyland Orchard & Brewery

## LIES TO TELL TOURISTS

Pelham Bay Park is three times the size of Central Park, which is why there remains some mostly unexplored territory deep in its woods—and why most people don't know about the family of wild ponies that roams the salt marshes. These beauties, which supposedly are the descendants of a pair that ran away from P.T. Barnum's traveling circus in 1976, are generally very skittish around humans—unless they're wearing a ringmaster's outfit. If you ever do find one, offer it some caramel corn; they used to eat the stuff off the circus floor, and they'll nibble it right out of your hand!
